# HQIP-CQC Trust level dashboard

12th November 2015 Workshop

Objective: “a succinct collation of transparently prioritised national clinical audit/CORP data, co-located and searchable at Trust/hospital/unit level, and accessible to all in a user friendly way...”

# HQIP-CQC Trust level dashboard

---

- 1) Tranche 1 audits (8 audits) – close to finalising the displays with the key metrics – have a “template” for how to display different categories of metric and developing an accompanying ‘context page’ for each
- 2) Tranche 2 audits (10 audits) – most have either provided key metrics or have agreed to send them across shortly
- 3) Tranche 3 audits (10 audits) – we will approach in Feb/Mar for the key metrics and begin display design.
- 4) Dashboard – discussions between CQC & NHS E planned in Feb 2016 to bottom out ownership, cost, hosting etc
