

ANNUAL REPORT

Name of Regional Network

Northwest Mental Health Clinical Audit Network

Regional Network Chair

Catherine Dunn (since March 2015)

Successes

- Attendance has started to increase at the network meetings
- Standing agenda items have been agreed to ensure that all organisations can input
- Information sharing regarding the best process for data collection relating to CQUIN's
- Channels of communication between participating organisation has increased for advice and support
- Chair attended first NQICAN meeting

Lessons Learnt

Future Direction

- To see an increase in engagement from NW organisations in the development of national clinical audits
- To invite key speakers following discussion with network
- To hold a regional training day for the network
